

HOW DOES WORKING CAPITAL LOAN GUARANTEE WORK?

Step 1:

You export and want to grow sales, but need to finance accounts receivable & inventory destined for export.

Step 2:

You apply for a working capital loan, but your lender won't approve it because your collateral is export-related.

Step 3:

Lenders with delegated authority process your working capital loan under established EXIM criteria.

Step 4:

Your lender loans you the money. You use the funds to fulfill your export sale.
