Women's History Month: Exporting in a Global Market

» WED, MARCH 17, 2021 » 12:00PM–2:30PM (EST)

About the Webinar

To celebrate Women's History Month, we invite you to participate in a virtual event bringing together leaders from some of the top women's business organizations, as well as successful women-owned business exporters.

Hosted by the Minority and Women Owned Business Office of the Export Import Bank of the United States (EXIM), this webinar will include *two in-depth sessions* focused on strategies for successfully exporting American made goods and services.

You Will Learn About:

- ✓ New tips and resources for international trade
- ✓ Government-backed financing tools that allow you to safely expand your business
- ✓ Exporting using the power of collaboration
- ✓ Current exporters' experiences
