# MAXIMIZING GLOBAL BUSINESS SUCCESS

The mission of EXIM's new Client Care Unit (CCU) is to provide clients with the information and counsel to successfully use their policies and to boost international sales. The unit provides hands-on guidance and free consultation on a variety of beneficial export subjects. A few examples include:

- ✔ Navigating EXIM Online (EOL) applications and providing general overview trainings of the system.
- ✔ Assisting you & your broker with maximizing the benefits of EXIM's export credit insurance policies and getting into the flow of actively reporting shipments.
- ✔ Finding new foreign buyers to enter new markets and increase sales in existing ones.
- ✔ Locating valuable regional & state trade information and assistance at no cost.
