ATMOS 360 MANUFACTURING

West Chester, OH

Exports to Asia, Europe, Canada,
South America

Uses Export Credit Insurance

Challenge

Since a major portion of their business comes from overseas customers, it was desirable for ATMOS 360 Manufacturing to find a solution to factor their international accounts receivables.

Solution

ATMOS 360 was able to use EXIM's small business export credit insurance policy to factor their international sales.

With EXIM's Support:

-  More cash on hand for inventory and business growth activities
-  Hired four additional employees

Results

"By using EXIM, we have more cash on hand because we are able to factor our international sales. This enables us to purchase more inventory and have cash to execute our growth plan."

Ben Moore, President of ATMOS 360 Manufacturing
